OUT ON THE LIMB

with George Vierhus

IT TAKES ALMOST ONE wastebasket each day just to handle the useless mail that The Press office receives.

We have never ceased to be amazed by the stack of handouts the newspaper office gets daily. We have a guilt complex, sort of, when we toss the stuff.

But, actually, the news value, as far as we are concerned, in so much of the material is almost nil.

And in some cases even less than that.

We sort of shudder when we think about the dollar value of the cancelled postage, the man-hours spent at mimeo machines and the cost of the paper involved just going down the drain, so to speak.

It is a terrible waste.

And, remember, our outfit is just a minute part of the big picture.

But still the flood continues.

The mimeo machines keep churning away.

And we keep tossing.

-0-

AT ELECTION TIME, OF course, there is always an increase in the handouts.

In most cases the stuff bears the label of "news release" and, generally, with the added phrase "for immediate release."

The contents of the messages, in most cases, are just as unnewsworthy with or without the label.

One begins to realize, after observing all the releases that pour out of the candidates' headquarters just why electioneering costs are up in the millions.

Our observation has been in the current campaign that the McGovern people seem to be the most prolific or, at least, have the most mimeograph machines.

Our office, for the past few weeks, has been receiving daily at least three releases -- in separate envelopes -- from the McGovern headquarters.

Each one, of course, carries an 8-cent stamp.

In addition, at irregular intervals, we get a biggie, in which there is a glossy picture and the average postage on such a missive is 32-cents.

Anyway we figured that for the past two weeks, the McGovern people have spent 50-cents a day, or a total of $7.50 just on postage for stuff sent to The Campbell Press that ignominiously ended up in the wastepaper basket.

We did attempt to scan most of the material but we were unable to use any of it, for it just was not geared to this medium.

It was all a wasted effort, as far as we are concerned.

-0-

WE HEAR A LOT ABOUT the "pros" who conduct these campaigns and direct the activities.

But it seems to us that these "pros" ought to learn from experience that, if the words their workers turn out are not used in the media to which they are directed, they ought to try another tact.

Like buying an ad or two.

It seems to us that would be cheaper in the long run.

And they would at least be sure their message appeared in print.

-0-

EACH YEAR THE TRUSTEES of West Valley College and the members of the citizens advisory committee have a joint dinner meeting.

The dinner is prepared and served by members of the Food Services and Restaurant Management classes of the college under the direction of Thomas Devins, coordinator.

As a member of the citizens committee we have always made a point of attending this annual feast, for the menu is always impressive.

And this year was no exception.

For the benefit of our gas-

(Continued on Page 2)

WITHOUT TAX RATE INCREASE

Preliminary city budget shows $552,095 increase

It is estimated that it will cost the City of Campbell $552,095 more to operate next year than this but it can be done without an increase in the current tax rate of $1.89, according to the preliminary operation budget that has been submitted to the City Council by City Manager Bob Stephens.

The city manager projects a preliminary budget that estimates expenditures of $4,325,850 during the 1972-73 fiscal year compared to $3,773,755 this year, or a 14.6% increase.

The City Council will hold a series of public hearings on the preliminary budget beginning with the council meeting of Monday, June 12. Budget hearings have been scheduled for Saturday, June 17 and Tuesday, June 20. The adoption of the preliminary budget is slated for Monday, June 26.

However, the total tax rate and the final budget will not be adopted until August when the actual assessed valuation figures will be known, as well as the actual reserve surpluses available at the close of the current fiscal year on June 30, 1972.

ENGINEERING WING

The preliminary budget of the city manager contemplates the completion of the engineering wing of the city hall at an estimated cost of $75,000. To finance this, the city manager recommends the continuation of the 12-cent tax that was levied last year to acquire the furnishings for the city hall.

Stephens suggests that the $1.18 basic tax be maintained and 59-cents be levied for bond redemption. With the 12-cents for the engineering wing completion, the total tax would be $1.89, the same as this year.

However, the City Council, after the budget sessions, could modify the preliminary budget as presented by Stephens, either adding some of the cuts that were made by the city manager or the department heads or by slashing the document more.

The Council could also decide, according to the city manager, to forego the completion of the engineering wing this next year thus eliminating the necessity of the 12-cent levy.

Another instance where the City Council could affect a major change (in reverse) in the preliminary budget is in communications.

COMMUNICATIONS

According to Stephens, his preliminary budget provides for the establishment of a centralized 24-hour dispatching system for the police, fire, and public works departments.

Stephens adds: "If this system is rejected by the City Council, an additional sum of $25,000 must be added to the budget to meet the projected costs of contracting with Santa Clara County for dispatching services."

PERSONNEL

The preliminary budget calls for three new full-time employees (two in public works and one in police) and establishes a $60,000 unallocated reserve.

The city manager points out that his recommended budget cut $180,555 from

(Continued on Page 2)

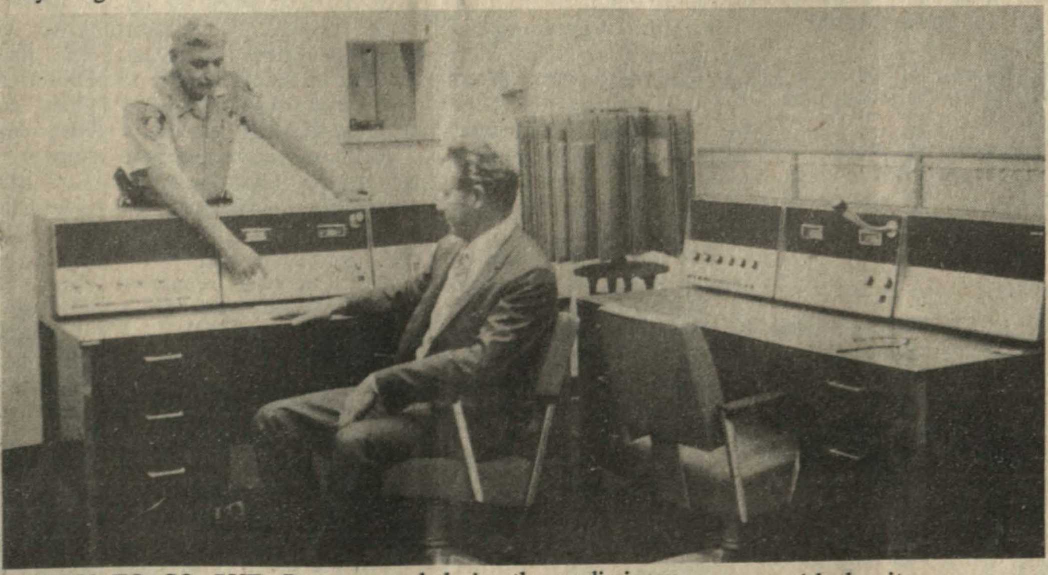
VACANT NOW--John Ruppel, administrative assistant, and City Manager Bob Stephens stand in the doorway of the now vacant engineering wing at the new city hall.

The engineering department is now housed in separate quarters at Third and Grant.

In his preliminary budget for next year, Stephens recommends that the wing be completed this next year, financed by maintaining of a special 12-cent levy used last year for furnishings for the city hall.

CONTEMPLATING---City Manager Bob Stephens relaxes in the center of the now unused "engineering wing" at the city hall. In the preliminary budget for the next fiscal year that has been submitted by the city manager, it is recommended that the wing be completed during the next fiscal year.

The estimated cost of $75,000 would be financed by maintaining the special 12-cent tax for another year. The 12-cent levy was adopted last year to pay for the furnishings of the new city hall.



READY TO GO--BUT--Police Captain John Butler (standing) explains to City Manager Bob Stephens that the equipment is ready for the city to operate its own centralized 24-hour dispatching service. Stephens has recommended in the preliminary budget that the city establish its communication system for the fire, police and public works, rather than continue with the county communications system, because of the increase in the county's contract with the city.

In his budget report, Stephens explains that, if the city stays with the county past October, another $25,000 must be added to the preliminary budget.

Cambrian board cuts out buses

Trustees of the Cambrian School District, for the first time in over 25 years, have voted to cut entirely the district supported bus transportation, except for educational field trips for the 1972-73 school year, effecting about a $20,000 savings. There will be no bus transportation of any kind next year, according to Superintendent D. M. Bagby.

The trustees also went on record in opposition to the unification proposal that will appear on the June 6 ballot which would unify the Cambrian, Campbell, Luther Burbank, Moreland and Campbell High School Districts into the seventh largest single district in the State of California.

The contract for recreational services between the City of San Jose and the district was renewed for the next fiscal year.

ON TUESDAY MORNING

Construction worker falls to death from "Towers II"

A construction worker on "Towers II", the 10-story office building under construction at The PruneYard, fell to his death on Tuesday from the 6th floor, presently the highest point of the incompleted building.

According to eye-witness and police reports, Leo Kaiser, 37, of 5703 Rotterdam Lane, San Jose, may have been either brushed by a girder or lost his footing in some other manner and pummeled to earth through the stairwell opening that was covered with plywood and 2 x 4's at about 10 a.m. Tuesday.

He was dead on arrival at the Valley Medical Center, according to the Police.

MINORITY WANTS CAMPBELL CAMPUS

Committee reviews college 10-year plan

Although a report on the 10-year master plan filed recently by the Citizen Advisory Committee of the West Valley College with the governing board was mainly concerned with the development of the "Mission Campus" in Santa Clara, a "minority report" of the committee emphasized the desire for a Campbell campus of a permanent nature.

The 41-member citizens group, headed by William Cilker, of Los Gatos, was directed last October by the college governing board to study and review the 10-year master plan of the district.

During the ensuing months four sub-committees on facilities, finance, education and community services plus a steering committee specifically studied particular phases of the master plan and submitted separate reports. These became part of the 19-page document that was filed with the board on May 3.

Although the directive by the governing board suggested that particular attention should be given the development of the "Mission campus" for which land acquisition is well under way, the group also touched on district-wide operations and better utilization of the Saratoga campus.

CAMPBELL CAMPUS

The "minority report" on the Campbell situation, which was submitted with the final draft, was introduced by the statement:

"Several committee members have expressed reservations about the Santa Clara site, even given available matching state funds and Santa Clara land, and wish to continue to stress their desire for a Campbell campus..."

The "minority report" included four basic recommendations:

(Continued on Page 2)

ALL SINGLE-FAMILY UNITS

Dura Style submits plans for 82 homes on Amato property

Plans for a 82-lot subdivision of single-family homes on a portion of the 31-acre Amato property between Campbell and Latimer avenues, just west of the expressway, will be before the Planning Commission next Monday, June 5.

The request for the subdivision approval has been submitted by Dura Style Homes, the original applicant, last October for zone change from R-1 to P-D (planned development) that would allow a combined town house single-family development on the entire property.

After months of controversy, in which the residents in the area objected to anything but single-family dwellings on the parcel, the City Council repealed the zone change ordinance that would allow Dura Style Homes development and the parcel reverted to its original R-1 status.

This time Dura Style Homes is not requesting a zone change but is seeking approval for a subdivision of single-family units under the present zoning.

Other matters before the Planning Commission next Monday include plans for a retail carpet firm called "Carpeteria" to be located on E. Hamilton next to Tia Maria and plans submitted by the Bethel Church for a 130-unit apartment complex to be located on a virtually land-

(Continued on Page 2)

AGAINST RIORDAN HIGH AT 8 P.M. IN SAN JOSE STADIUM

Campbell High plays in central coast baseball semi-finals on Friday

Campbell High's varsity baseball team, which overcame a shaky start early in the season, to win the West Valley League championship, will play Riordan High, champions of the West Catholic League, in the Central Coast Section semi-finals this Friday night.

The game will be played Friday night (starting at 8 p.m.) in the San Jose Municipal Stadium.

On Saturday night, the finals will take place in the same spot with the winner of the Campbell-Riordan battle meeting the winner of the Gunn-Pacific Grove game. Gunn and Pacific Grove play on Friday night in the Salinas Municipal Stadium.

To reach the semi-finals in the Central Coast Section, Campbell defeated Piedmont Hills 5-0 last Thursday and then blanked San Jose High 4-0 on Saturday night.

Piedmont Hills was champion of the Mount Hamilton League and San Jose was winner of the Santa Teresa League bunting.

In winning the two regional battles, the Bucs received stellar pitching performances from Steve Garrido and Kelly Davis.

Garrido was on the mound against Piedmont Hills and twirled a one-hit shutout in the Bucs 5-0 win. Garrido was just two outs away from a no-hitter when a Piedmont Hills batter clouted a double into the left field corner. Garrido struck out nine and walked four.

Campbell scored first in the third inning when George Hahn rapped a two-out single and then scored on a double by Steve Davis.

In the fifth the Bucs made it 3-0 when Thurl Noonkester got on by an error and moved to second on Gordy Hahn's single. Two runs were scored on Jeff Mason's single. In the contest Steve Davis went two for two at the plate and Mason got two for four. Mason batted in two runs as did Davis. Piedmont Hills was helpful to the Bucs' cause by committing five errors.

Kelly Davis took the mound on Saturday against San Jose High and allowed only two hits in the 4-0 Campbell win.

The Bucs collected eight hits and scored in the first, third, fifth and seventh innings. San Jose made three errors in the game. Mason with two for four was the leading hitter.

Editorial

Ballot measures

In the May 17 issue, we briefly summarized the 10 state propositions that are on the June 6 ballot and made our recommendations.

In this issue, the last before June 6, we reiterate how we plan to mark our ballot:

STATE PROPOSITIONS

Proposition 1: Veterans bond act, YES
Proposition 2: School building earthquake reconstruction, YES
Proposition 3: Right to assistance of counsel, YES
Proposition 4: Open presidential primary, YES
Proposition 5: Appointment of regents, YES
Proposition 6: Naturalized citizen voting, YES
Proposition 7: Valuation of single-family dwellings, YES
Proposition 8: Chiropractors, YES
Proposition 9: Environmental initiative, NO
Proposition 10: Partial constitutional revision, YES

-0-

"NO" ON "A"

In addition to the 10 state propositions, the electorate in six Bay Area counties, San Francisco, Alameda, Contra Costa, Marin, San Mateo, and Santa Clara, are voting on "Regional Measure A" which would authorize the California Toll Bridge Authority to construct the southern crossing bridge without further specific approval by the California legislature.

We are voting NO on this measure.

People in three of the counties involved, Alameda, Contra Costa and San Francisco have pledged themselves to spend in the neighborhood of $1 billion for the rapid transit system of BART. One of the primary objectives of BART is to discourage the use of the automobile and thus improve the present air pollution conditions.

We think it is unfair then to ask the same people to spend another half billion dollars for a southern crossing bridge that would encourage the use of automobiles.

Communities at both ends of the proposed bridge are opposed to the bridge.

It seems to us it is unwise to undertake such a project until BART has had a chance to show its effect.

We suggest a "NO" vote on Measure A.

-0-

"YES" ON "B"

Voters in Santa Clara County will also cast ballots on June 6 on two county measures labeled "B" and "C".

Measure "B" proposes the establishment of a countywide Transit District. Funding for the district operations will come from statewide legislation which imposes a sales tax on gasoline and returns this revenue to a county transit fund.

We recommend a "YES" vote because we are convinced that some type of rapid transit must be devised in this county, if air pollution and traffic congestion are to be reduced.

We feel that the establishment of a countywide transit district as specified in Measure "B" is an essential step in the move toward solving the problems that are becoming increasingly worse.

Therefore, we suggest a "YES" vote on Measure "B" next Tuesday.

-0-

"YES" ON "C"

Measure "C" on next Tuesday's ballot is a proposed amendment to the Santa Clara County Charter for park acquisition and development.

This amendment would require the Board of Supervisors appropriate an amount equal to 10-cents per $100 assessed valuation from the county's general fund each year to a special trust fund to be used for park acquisition and development.

The objective of the measure is to make up the deficiency in park land that now exists.

We believe that Measure "C" outlines an equitable means for financing the acquisition and development of park lands.

We recommend a "YES" vote.

A general plan for the development of a 10-year program for the acquisition and development of parks and recreational areas has been drafted after much study and review. Measure "C" will allow for the implementation of this plan.

-0-

"NO" ON "M"

The electorate in the Campbell Union High School District have still another ballot measure to vote on next Tuesday, June 6, Measure "M".

Measure "M" calls for the unification of the five elementary school districts in the Campbell Union High School District. We recommend a "NO" vote.

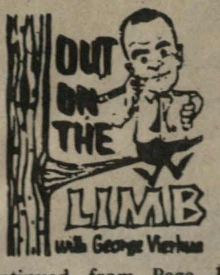
MORE ABOUT



(Continued from Page 1)

tronomically minded readers, the menu consisted of: Iced crabmeat Parisienne; consomme Brunoise; roast tenderloin of beef Girondine; stuffed tomatoes duchese; buttered green peas; French rolls and butter and strawberries a la Romanoff.

Incidentally, the entrees were described in mouth-watering detail which was quite helpful to those of us who lack the gourmet touch.

For example, "a salad of crabmeat on a bed of lettuce garnished with egg slices"; "beef consomme with finely diced vegetables"; "a mixture of butter in browned artichoke bottoms and mushrooms coated with demi-glace"; "strawberries marinated in Curacao and orange juice, served over vanilla ice cream."

Obviously with that kind of build-up, one's taste buds really started working overtime even before one morsel was touched.

And the food that was served lived up to all expectations.

The class did an outstanding job in both the preparing and serving of the repast and Jim Hardy, president of the college, on behalf of all of us commended Devins and his talented group after we had finished our "strawberries a la Romanoff".

Devins, in graciously accepting the plaudits, added that someone had mentioned after one of the previous dinners that there had been no after-dinner mints on the tables.

He said they had taken care of that oversight this time.

So with flourish and fanfare, the student waiters descended on the tables with bowls of after-dinner mints.

It was sort of a fringe benefit to top the evening.

-0-

AS MUCH AS WE ENjoyed this year's dinner at the Saratoga campus, it failed to make the impression on us that last year's event did.

Last year, while we were partaking of the delicious repast, our Volkswagen was stolen from the parking lot.

So we always will have something to remind us of the 1971 dinner, long after the menu has been forgotten.

Naturally the stolen-car incident was recalled at this year's affair by Jim Hardy and many others with suitable humorous asides. (Last year, we remember, the humor was missing along with the car.)

Prior to the dinner, Mrs. Jim Hardy told us that she had thought of calling our Dorothy to come and drive our Karmann Ghia away from the parking lot while we were eating.

She thought that our reaction when we discovered the car was missing would be something to see.

Fortunately, Grace did not carry out her diabolical practical joke.

Otherwise we might not yet have come down to earth. Happily, for all concerned, our car was right where we had left it.

-0-

IN A "CULTURAL" DIScussion at our table at the recent Community Recognition Dinner sponsored by the police department, the subject of peanut butter and jelly sandwiches came up.

We extolled the merits of this particular tidbit and mentioned that it had long been one of our favorites.

Jim Hardy, West Valley prexy, who was at our table, agreed that the peanut butter base sandwich was excellent and, it also had been a long-time favorite of his.

He added, however, that he had developed a variation of the sandwich which he passed along to us.

We thought that, inasmuch as we had devoted so much space in this column to the dinner put on by the food service classes of Jim's school, this would be as good a spot as any to mention the Hardy variation.

Jim says he spreads the basic ingredients (peanut butter and jelly) on the bread and, then, for that extra touch, he adds a sliced onion.

We have yet to try it.

But you go ahead. Be our guest.

Maybe, if you try it, you'll like it.

-0-

AT A RECENT PLANning Commission meeting, during the discussion on a proposed change for some lots on E. Campbell Ave., it was mentioned that E. Campbell Ave., between Bascom and Leigh, now carries 4500 cars per day, according to a recent traffic count.

We don't blame the people on that residential street for being concerned over any development that could possibly increase the traffic flow on that particular street.

They do have to get out of their driveways at times, you know.

MORE ABOUT

College

(Continued from Page 1)

1. Consider lease-purchasing the Campbell site.

2. Cooperate with the City of Campbell in developing a Campbell facility, and consider lease-purchasing properties surrounding the Campbell campus for future development.

3. Consider a high-rise structure at the Campbell campus for all business education classes (lecture and laboratory) for all three district campuses.

4. Consider offering avocational programs at the Campbell Campus high-rise for programs that do not require special laboratory facilities.

MISSION CAMPUS

With respect to the "Mission Campus," the committee recommended that the Santa Clara site should be developed as a comprehensive college for students planning to transfer to a four-year college or university; for students selecting a one or two year occupation-centered curriculum; and for the community at large.

It is further recommended that such a comprehensive campus should provide for flexibility in facilities to meet the future needs of students in a changing society.

It was recommended that a class scheduling system that will better utilize the facilities of the Saratoga campus should be developed in which a 12-month program could be presented.

Coordination of programs with bordering community colleges was also stressed.

EXTEND SERVICES

In the community services field, the committee recommended that the college should extend services into Santa Clara in temporary locations as soon as practicable.

It was also recommended that planning for the "Mission Campus" should include a community theater auditorium and, in addition, the "Mission Campus" should provide vocational-technical education that will qualify individuals for jobs in business and industries.

The committee also emphasized that the community services should continue to be on a district-wide basis from a central administrative office and steps should be taken to more widely publicize the activities of the college.

"ROLLING AREAS"

In the realm of esthetics, the committee suggested that the relatively flat Mission Campus be developed architecturally into gentle rolling areas and berms and a lake.

The first building on the campus should provide for flexible use for several years, it was submitted and three-story buildings should be considered so as not to infringe on the open space.

The committee also suggested that the college continue to utilize existing facilities of other agencies within or without the district, for sports and special events.

FINANCE

The committee emphasized under "finance" that there were two areas of concern, "operational" and "capital outlay."

It was emphasized that the committee had concerned itself mainly with "capital outlay" but cautioned the governing board to not overlook that the student population of the college, on a percentage basis, was increasing more rapidly than the assessed valuation. Thus the district was getting comparatively poorer.

It was emphasized that changes with respect to property taxation on a state level could have a significant impact on the operational finance capabilities of the college.

In the capital outlay field, the committee concluded that it was not reasonable to expect to use "excess" operational funds for capital outlay purposes.

A bond election or an "override" election could be utilized to fund projects, the committee admitted, but because of the "climate", such a step was not recommended.

BOND ELECTION

However, the committee did recommend that a bond election be called for the spring in 1974, as required under state law. This bond issue, the committee submits, should be of an amount sufficient to fund all or part of the capital construction program.

Close vote marks CETA election

By a slim 37 vote margin, Herb Wadley defeated Hank Dacuyan to win reelection as president of the Campbell Elementary Teachers' Association. The vote was 214 to 177.

Wadley was reelected to his second full term, having succeeded to the presidency in 1970 upon the resignation of Robert Persky.

Other officers elected were Carroll Bergdahl, reelected president-elect over Joe Moya (207 to 170); Ron Green, vice-president over Phil Short (177 to 170); Harriet Zander, treasurer over Robert Radke (224 to 122);

Cindy Spadafore, K-3 representative; Dave Cox, 4-6 representative; Chuck Allred, 7-8 representative; Gus Gustafson, special service representative; Don Stephens, administrative representative; Janis Dong, public relations.

James E. Briner has requested approval by the Planning Commission on his application to use a portion of the Campbell Country Womans clubhouse for rental for public use and part of the building for commercial use.

Zone change requests have been submitted by James H. Thomas, 84 N. Third from R-1 to R-D; for Grover Risner from CM:B-80 to CM:B-40 at 1400 Dell and for Delton D. Perry from R-1 to P-O at 131 E. Hamilton.

MORE ABOUT

City budget

(Continued from Page 1)

the requests submitted by the department heads to meet their respective needs for operations during the 1972-73 fiscal year.

Stephens has suggested that each department head be given an opportunity to present his case for the replacement of their highest priority items during the City Council budget sessions.

In the past when the updated revenue projections have been received in August, the Council has been able to replace some of the high priority items that had been cut.

An example, the city manager reports, would be in personnel. Four additional personnel (one each in police, fire, operations and public works) had been requested by department heads for a total of $43,190.

Stephens also explains in his budget message that adequate funds have been projected for a fair and equitable total compensation package for city employees which will result from the current meeting and conferring sessions that are currently taking place. He points out that no agreement has been reached to date so it was not possible to project the city's cost.

However, the city manager submits: "The City has historically maintained a fair and equitable total compensation package for its employees."

REVENUES

Stephens estimates that gross revenues for next year, including this year's surplus, state subventions and other sources will be $4,744,668 with expenditures at $4,325,850.

The city manager's report indicates that $819,000 is estimated to be received from property taxes and $800,000 from sales tax.

Business licenses are estimated at $62,000; vehicle code fines, $75,000; cigarette tax, $105,000; motor vehicle in lien, $208,000 and franchise, $75,000.

OTHER FUNDS

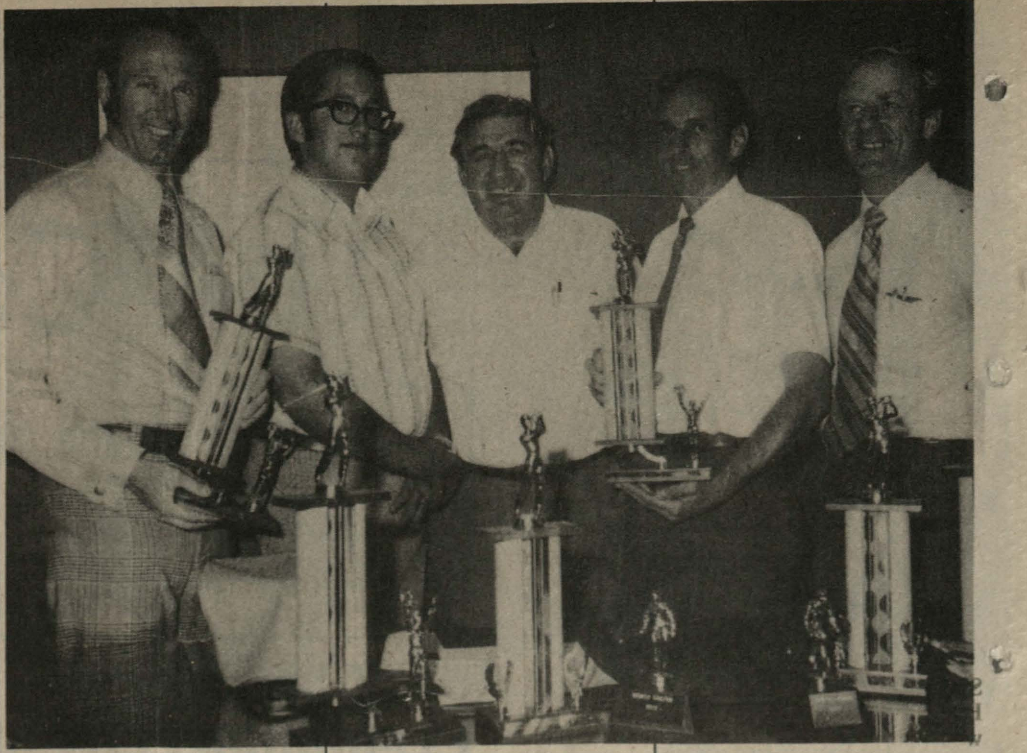
The revenue budget also projects the income from restricted funds such as, special gas tax, $625,000; traffic safety, $75,000; storm drain fees, $93,000; bond service, $386,700; LID's, $110,985; lighting district, $78,000; city hall tax fund, $83,000; library construction, $169,683; parks and recreation bonds, $233,000 and federal grants, $359,450.

FISCAL CRISIS

The city manager, in his report, cites the fiscal problems that have faced many California cities and that, in many instances, cities have been required to abolish positions and reduce personnel.

In addition, he maintains, many emergency services have been eliminated and the existing level of other services reduced. Capital outlay items have also been reduced.

He said that in Campbell's case, the city was faced with requested expenditures which exceeded the projected income. A determined effort was made to reduce the requests so as to present a balanced budget but without reducing the current level of services.



TROPHY WATCHERS---Duplicate trophies, plus many other prizes donated by Campbell business firms, will be awarded to members and guests at the fourth annual Chamber of Commerce golf tournament on Friday, June 9, according to Ira Kirkorian, chairman of the event.

A special prize will also be given to the "worst golfer". There will be other surprise gifts, Kirkorian said. The gala affair which includes a shotgun tee-off at Oak Ridge Golf Club (on Cottle Road) at 12:30 p.m. It will end with a social hour and trophy dinner.

Pictured viewing some of the trophies for the affair are, left to right, Jack Meyers of Value Realty; Councilman Rusty Hammer; Kirkorian; Bob Blonder of Barclays Bank; and Al La Plante, CofC president, all members of the tournament committee.

CofC members and their guests are urged to register as soon as possible at the Chamber of Commerce office (378-6252), as the field is limited.

Letters to the Editor

THE AMATO ISSUE

Dear Editor:

Mr. Engdol, developer on the Amato property, should be commended for requesting that the Campbell City Council rescind the zone change on the property.

It is quite apparent that the council would have forced a referendum election rather than repeal the zone change had Mr. Engdol not requested it.

There is a question asked by many citizens of Campbell over the years. "Why does the city council jump to fulfill the requests of developers, but treat the residents like intruders?" The classic answer that suggests something sinister is usually heard because there are no other clear reasons.

Mr. Engdol's letter to the council did not specify any reason for requesting the zone change be rescinded. Although Mr. Engdol was present in the audience, not one single councilman asked for an explanation. The council eagerly initiated action to meet the request.

Last Monday (May 22), the repeal of the zone change was based on the referendum petition from the people and not Mr. Engdol's letter. As a result, Mayor Podgorsek had to relinquish the gavel in order to obtain a second to Councilman Paul's motion for repeal. The unwillingness of Councilmen Doetsch, Chamberlin or Hammer to provide the second was not explained.

All too frequently Campbell citizens leave the council chambers with the feeling that the council does not represent them, but reluctantly tolerates them. That much can be expected from regional government.

F. R. Klein.

Prospect's Prophecies

by Phyllis Voigt

WHERE HAVE ALL THE SENIORS GONE?

That is the question many underclassmen asked themselves, and each other last Thursday as the members of the class of '72 departed for sand and sun, fun and games at Santa Cruz Beach and Boardwalk.

Senior Sneak Day is one of the annual senior class activities wherein senior students are taken to the beach, supplied with food and one booklet of ride tickets, and really let loose for the day.

Last week was no different than any other year. Five busloads of seniors, in various stages of excitement and awakeness, departed from Prospect at about 9:45 a.m., along with chaperones.

Upon arrival in Santa Cruz a short time later, each student was given his booklet of tickets and admonished to "be back here at 3:30."

Enjoyed by the gleeful seniors were miniature golf, the "Big Dipper", the "Arctic Flyer", and many other rides and games along the boardwalk.

Few people went near the water, as the day was overcast until nearly 2 p.m., and quite windy, but many enjoyed the sand, and the "Hey,-it's-finally-here" sun, playing football, volleyball, and frisbee along the wide expanse.

Not only the seniors had fun. Several of the chaperones, including Mr. Horvatich, senior counselor; J. Muir, boys' dean; Mr. Augenstein, p. e. coach and Mr. Couper, government teacher, enjoyed heavy fights in the bumper cars, with students trying to bump the teachers, counselors trying to bump the students, and everyone trying to bump each other.

When the buses finally appeared, approximately 30 minutes late, most of the seniors were tired, but happy, and ready for the ride home.

Prospect's cafeteria was the site of the second annual Campbell Union High School District journalism awards banquet on Tuesday, May 23.

Several Prospect students were honored with certificates for their newspaper work.

"Panther Prints" editor Ted Jenkel took three awards, a first place award in the editorial category, a first place award for best individual page, and an honorable mention for a news story.

Sue Brown, co-editor, got the same award as Ted for individual page, and a third place award for a specialty feature.

Janice Schlect shared the specialty feature award with Sue. Mike Sheehan was awarded an honorable mention for a feature story, while Debbie Becht got a second place for a humor story, and Terry Earlywine got a third place award for his artwork.

The entire staff of "Panther Prints" was overjoyed to learn they had come so close to Leigh in the final scoring that they had gotten a special "runner-up" award in the category of overall excellence.

Leigh High School's paper won the large "overall excellence" trophy for the second year in a row.

The guest speaker at the banquet was Leigh Weimer, news columnist, who talked about the things involved in becoming a successful newspaperman.

Campbell Capers

by Jeanie Harris and Doreen Henner

Congratulations to Dave Rosenthal for taking second place in the Bank of America zone competition held on Thursday, May 25. Dave received a $750 award which was presented to him at the awards dinner that evening.

Campbell High's varsity baseball team, behind the one-hit pitching of Steve Garrido, downed the Piedmont Hills Pirates 5-0 in a shut-out game on Thursday, May 25 at San Jose's PAL Stadium.

The victory advances the Bucs into the second bracket of the Central Coast section finals.

Leading hitters for the Bucs were, Steve Davis, 2-2, and Jeff Mason, 2-3. Good defensive efforts were turned in by Steve Davis and Dave Judd.

NAVAL ACADEMY---On July 6 soon-to-be graduate John Myers will become a member of the Annapolis Naval Academy in Maryland. Myers, a senior at Campbell High School, will begin the Freshman orientation program at the highly regarded Academy only four short weeks following his graduation from Campbell. While compiling a 3.4 grade point average, the 6'4", 240 pound Myers established himself as an exceptional football player and was recruited for the Navy grid squad. "Big John" will major in Political Science when not on the Academy's football field.

Spaghetti feed benefits club scholarships

Members of Campbell Women's Service Club will hostess an all-you-can-eat spaghetti feed on Thursday, June 8, from 5 p.m. till 8 p.m. at the Spitfire Charbroiler, Campbell and Dillon Avenues.

For $1.05, diners will enjoy a meal of spaghetti, tossed salad and French bread, with no limit on spaghetti servings.

Proceeds from the dinner will benefit the club's many projects, including the presentation of scholarships for girls in the Campbell Union High School District.

Previous fund raisings by the club women have benefited the local library, the senior citizens center, the West Valley museum and local hospitals.

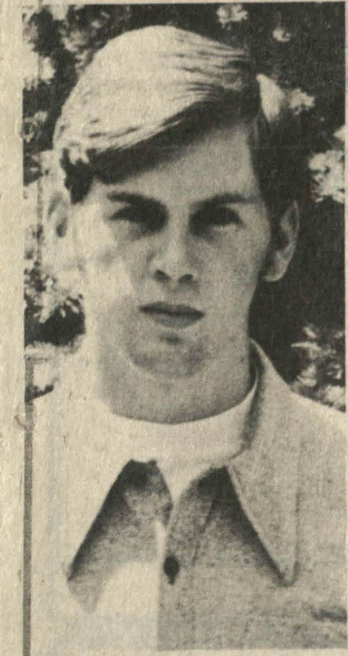
Ticket co-chairmen for the dinner are Mrs. Boyd Fair, 378-3045 and Mrs. Dean Chamberlin, 378-4627.

Cleanup and servers include Mrs. Herbert Binley, Mrs. Oliver Buehner, Mrs. Vernon Gring, Mrs. Gerald Snider, Mrs. L. W. Besack, Mrs. William York Richardson and Mrs. S. W. Milledge.

IN MARINES

Marine Sgt. Douglas H. Humble, husband of the former Miss Christina Loveday of Campbell, has reported for duty at Marine Corps Air Station, Cherry Point, N.C.

A 1968 graduate of Bayside High School in Bayside, Long Island, N.Y., he joined the Marine Corps in May 1960.



WEST POINT--Adding to the list of high school seniors receiving outstanding college scholarships is Campbell's Craig Fischer, 18, who will travel east to attend the Army's West Point Academy. Fischer will report July 3 to begin four years of academic study at the highly acclaimed military institution. The ex-student body president of Campbell High was granted a full scholarship on the merits of his 3.83 grade point average and participation in scholastic activites.

Campbell High honors retiring clerk

by Audrey Terrill

Highlighting the end-of-school activities at Campbell High School this year is "Maisie Flanders Day" on Wednesday, June 14.

Students, faculty and staff are honoring Mrs. Flanders, who retires this summer after 15 years as registrar's clerk.

Her career at Campbell spans an era that saw the district grow from two to nine high schools under three principals: Sam Reed, Robert Culp and Robert Peck.

"I've been secretary to a number of fine educators on their way up," Mrs. Flanders recalls. "Among them were Mrs. Vivian Stallkamp, Al Smith, Bill Allman, Jim Crawford, Verd Romer and now Don Armitstead, present director of education.

She remembers her student helpers with equal fondness. "Some of them come back to see me, bringing their children and then I realize how the years have flown by."

Born in Liverpool, England, she came to the United States as a small child and grew up in Pittsfield, Mass. She married there and had one son, Edward Daly, who now lives with his wife and three daughters in San Jose.

About 20 years ago, after being widowed, she came to Campbell and re-married.

"When I decided I would like to find a job I heard of an opening in the Campbell Elementary District," Mrs. Flanders said. "But it was the high school district that called me.

"There were four job vacancies at the time but one look at the old switchboard made me decide that registrar's clerk was more to my liking."

Her duties include making transcripts of high school grades from the permanent records of the school, some going back to 1902. (Most transcripts are sent to colleges or the military services for former students wishing to continue their education.)

Mrs. Flanders says, "One of my greatest satisfactions is to see people who dropped out before graduation come back and ask for transcripts that will enable them to complete their high school credits in adult schools."

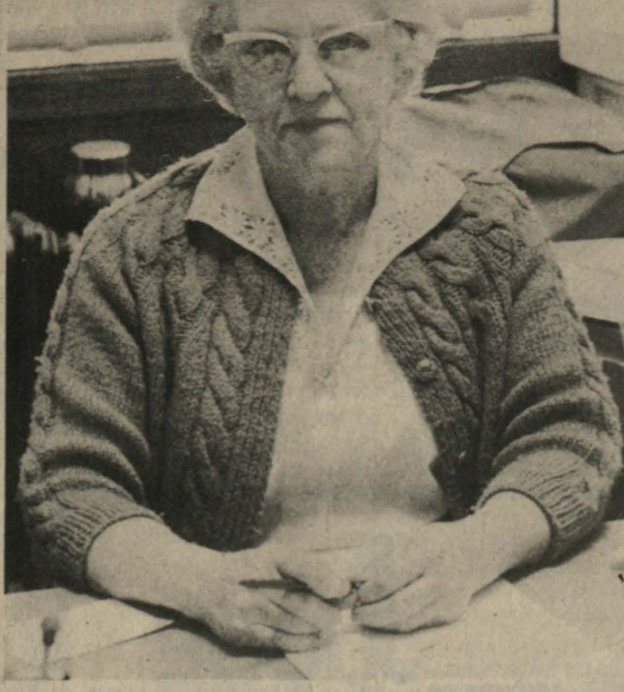
At holiday time and the end of school the Campbell High staff will miss Mrs. Flanders' festive dessert and coffee parties.

At each such affair the food and table settings have shown Mrs. Flanders' talent for beautiful and unusual decoration.

Her friends cherish her greeting cards which are individually designed and decorated with flowers made of tatting. (Gift shops have offered to sell all she can supply them with but so far she has made them only for her own use.)

Travel plans will figure in Mrs. Flanders' future and will begin with a trip to Hawaii with Kathleen, her 14-year-old granddaughter in late July.

Friends and former associates are invited to share in the reception at 3 p.m. in the Campbell High School library on June 14.



MAISIE FLANDERS

Sunday concert closes season

A clarinet player and a violinist, both of Campbell, will be among the musicians, performing at 3 p.m. on Sunday, June 11 in the Los Gatos History Club, 123 Los Gatos Blvd.

David Dunton, a music teacher in the Campbell School District, who plays first chair clarinet in the San Jose Symphony, will be playing in two trios during the admission-free concert.

Joanne Jacovides, a Campbell High senior who will attend San Francisco State College on a music scholarship, will perform "Partita #1 in B Minor," a Bach selection for unaccompanied violin.

Joanne is a member of the Los Gatos-Saratoga Symphony, who sponsored the Sunday afternoon chamber music concerts of which this is the last of the season.

TEENAGER PAGEANT--Tina Marie Fisch, a 16-year-old Prospect High junior, will represent the city of Saratoga in the California State Teenager Pageant, which is open to girls age 13 to 17, and will be held June 23 and 24 in Santa Barbara. Tina, who participates in drama, speech and swimming activities at Prospect High, plans a career in public services, starting with the Peace Corps. The daughter of Mr. and Mrs. Alan Fisch will state her views on the pageant's theme, "What's Right About America."

Group plans a Midsummer Ball

Several Campbellites are involved in activities of the United New Conservationists, which is holding a Midsummer Night's Ball on Friday, June 9 from 9 p.m. to 1 a.m. in the St. Claire Hotel.

Mrs. Ward Brannon, treasurer; Gary Hubbard of West Valley College, Sonjia Aslanian and Gary Lewis are among the local members of the active group which takes stands on legislation and provides educational seminars on current issues.

The Conservationists whose members represent 26 different groups ranging from churches to ecology contingents, number creek cleanups and recycling efforts among their recent projects.

DEGREE CANDIDATE

Lois A. Goodman, 420 Union Ave. is a candidate for a master of arts degree at the University of Colorado.

She was among nearly 2,800 students scheduled to receive degrees at the school's spring commencement.

NEW HOME OF CAMPBELL STATIONERY --- This week, H. A. "Hap" Parker and his staff of the Campbell Stationery were welcoming customers to their big new location at 369 E. Campbell Ave. from their previous location at 234 E. Campbell Ave. In discussing the move, Parker said with the many new lines and services they were offering, much more space was required which the new building provides.

Since taking over the business in the spring of 1970, Parker has constantly added to his stock until today it is one of the best stocked stationery and office supply stores in the county. Most recent addition is a camera and photo supply department.

Parker came to Campbell from Burlingame, where he had lived while operating a stationery-camera store and dry cleaning business in San Francisco. A native of Honolulu, Hawaii, he is the son of the late Captain "Hap" Parker, career officer in the U.S. Marine Corps. He received his schooling in Honolulu, completing his studies at St. Louis College followed by a two year law course.

A son, H.A. Parker III is an area manager for the large Minnesota Mining Co.

School plans a 1972 graduation

A 37-year-old mother of four daughters, Mrs. Gayle E. Shotwell, will serve as class valedictorian during West Valley College's spring commencement exercises, being held at 7:30 p.m. Friday, June 16.

Mrs. Shotwell, who will receive a A.S. degree in accounting, has maintained a straight A average during several years as a business major at the college.

Over 860 people will receive diplomas on the lawn in front of the engineering-technology building at West Valley College's Saratoga campus.

A reception in the student union will follow the ceremonies.

MRS. GAYLE E. SHOTWELL

STITCH IN TIME---Mrs. Richard Vaianisi, left, adjusts the hem of a playsuit for her daughter, Carie. Carie and her sister, Cindy, will be among the young ladies modeling home-sewn sportswear and dresses at a fashion show sponsored by the Dover Home and School Club at 7:30 p.m. on Wednesday, June 7 in the school's cafetorium, 1300 Sheffield Ave.

Campbell Artist's Guild

The selection of paintings for the Valley Fair exhibit, being held from Thursday, June 8 to Sunday, June 11, was top priority for members of the Campbell Artists Guild at their general meeting on Monday, May 25.

The annual Valley Fair exhibit, open to all local artist groups, can be viewed 9:30 a.m. to 9:30 p.m. Thursday and Friday; 9:30 a.m. to 6 p.m. on Saturday, and 9:30 a.m. to 5 p.m. on Sunday.

Jackie Flitcraft, who received the Guild's Artist of the Year Award at the group's recent birthday celebration, again garnered her fellow craftsmen's accolade when she was chosen artist for the month of May.

Jackie, who specializes in seascapes and florals, has won many awards in area, regional and statewide artistic competitions.

Carole Swanson, another Campbell Artists Guild member, will display impressionistic wharf scenes, portraits and still lifes in a one-man show she is holding till the end of June at the University of California School of Medicine, Sacramento.

Magician will visit school

"The Great Toussaint" will present his bag of tricks at a magic show being sponsored by Campbell Elementary's Home and School Club at 2 p.m. on Saturday, June 3.

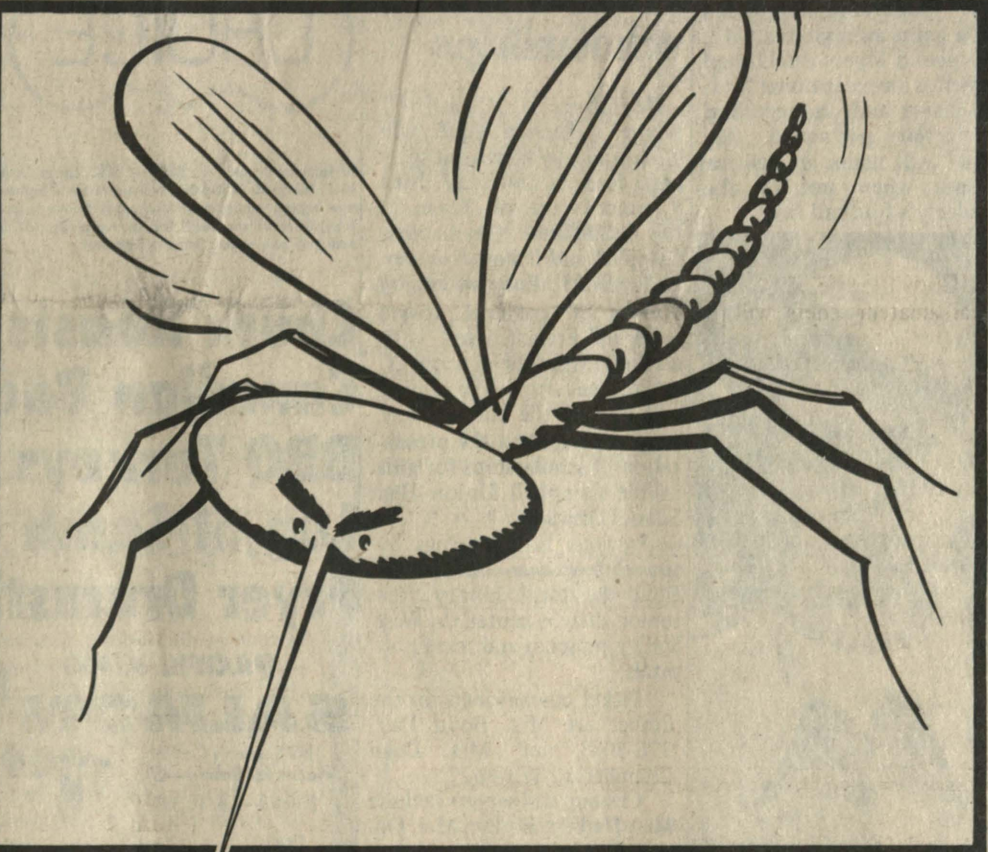
Tickets for the show, which will be held in the school's multi-purpose room, 295 Cherry Lane, will be sold for $1 at the performance.

The Campbell Elementary office will also sell tickets from 8 to 8:45 a.m. Wednesday to Friday, May 31, June 1 and June 2.

RUMMAGE SALE

Orchard City Grange will sponsor a rummage sale June 2 and 3, Friday and Saturday, from 9 a.m. to 4 p.m. at 109 North Second St.

FOR JUDGE STANEK
SUPERIOR COURT, SANTA CLARA COUNTY



The Sacred Mosquitoes of California

Who wants to bring back typhoid? Or malaria? Or encephalitis? Only people who love mosquitoes.

The sponsors of Proposition No. 9 on the June 6 ballot must love mosquitoes—also termites, cockroaches and silverfish. Because Proposition No. 9 makes illegal the use or possession of a long list of chemicals, including the only effective pesticides for controlling various pests.

They must hate bees, though. Because the substitute pesticides that could still be used, though far less effective for many purposes, are death on bees. They're also dangerous to humans and pets.

If Proposition No. 9 passed, you could be arrested for having on your premises a can of insect spray you'd purchased some time ago if it happened to contain one of a long list of suddenly illegal ingredients.

A university scientist could be arrested for experimenting with any of these banned chemicals in a laboratory research project.

What kind of sense does all this make?

Like most things about Proposition No. 9, it doesn't make any sense at all.

It doesn't make sense to risk the resurgence of epidemic diseases that have been kept in control for so many years that most of us have virtually forgotten they ever existed.

It doesn't make sense to risk the destruction of forests and agricultural crops.

It doesn't make sense to prohibit scientists from experimenting to develop new knowledge in the field of pest control.

It doesn't make sense to forbid the use of the **only** known effective means of protecting your house from termite infestation.

Proposition No. 9 is senseless—and very dangerous.

There's good in most religions, and harm in some. The protected, "sacred cows" of India have contributed to that country's abject poverty for centuries. It would be the height of folly to yield to the fanatics who, in their zeal for a new "religion," would inflict on all of us the "sacred mosquitoes" of California!

Vote NO on Proposition No. 9

There are too many bugs in it!

WOMAN OF YEAR — Mrs. Ann Johnson, center, seated was selected as Campbell Garden Club's "Woman of the Year" at their recent luncheon at the Royal Fork. Committee members who arranged the lunch, left to right, were Mrs. Florence Rohde, Mrs. Violet Costabel, Mrs. Rose Magnasco, Mrs. Dorothy (Maude) Smith and Mrs. Opal Blohm.

Boys Chorus to hold auditions

The Santa Clara Valley Boys Chorus, founded two years ago by its directors, Kenneth Seylar and William Slocum, is now starting a second group to train singers.

Auditions for either group, open to boys age eight to 18, will be held from 9 a.m. to noon on Saturday, June 3 at Leonard Herman Intermediate School, 5955 Blossom Ave., San Jose.

Both of the choruses will rehearse from 7 to 9 p.m. Tuesday and Thursday evenings at Herman School. For more information phone 377-2592.

Future teachers receive awards

Two West Valley College students, Paula Hansen and Donald Smith, were the recipients of the Campbell Elementary Teachers' Association's annual scholarships.

The collegiates, both of whom plan teaching careers, were presented the scholarships during West Valley College's recent Awards Banquet.

The CETA scholarship is funded by teacher contributions.

GOURMET CONTEST

Local amateur chefs will compete with their prize recipes in an Exhibition of Culinary Arts, sponsored by the Santa Clara County Heart Association on Friday, June 4 from 5 to 8 p.m. in the San Jose Hyatt House.

Tickets or entry blanks for the event may be obtained from the Heart Association, 1605 The Alameda, phone 288-7617.

DISPLAY PLAQUE — Members of Campbell Garden Club dedicated the planting of the parking strip of Hamilton Avenue as their "Blue Star Memorial" in 1968 and now are installing a metal plaque which shows the memorial is for local servicemen. Holding the plaque are four garden club members instrumental in getting the plaque; left to right, Mrs. Ruth Hartman, Mrs. Sue Brigham, Mrs. Minnie Snyder and Mrs. Mary Birr.

ART CRITICS---These young art critics, Jeff Lawson, Jennifer Proudfoot, Teina Lathrop and Jeff Baker, admire a painting that will be on sale during the Campbell Parent Nursery School's upcoming art show. The show will be held at Novitiate Winery, College Avenue, Los Gatos, on Saturday, June 3, from 2 to 5 p.m. Proceeds from the fund-raising event will be used to improve the Campbell Parent Nursery School and to help needy children who couldn't otherwise attend the nursery.

Methodists see religion center

A temple, a school and a center of religion in the Berkeley-San Francisco area were visited by over 50 young people and adults from the United Methodist Church, as part of a 16-week Confirmation study.

After a tour through the archaeological museum at Pacific School of Religion, Berkeley, the 48 junior high students and eight adults viewed the Latter Day Saints Temple, and the Fred Flinch Youth Center, both in Oakland.

Next stop for the group was a Methodist Church in Chinatown, San Francisco, which was pastored by a missionary sent from China.

The tour wound up with a visit to the newly built First United Methodist Church, Palo Alto.

St. Lucy's graduates 38 on Sunday

Graduation exercises for 38 students at St. Lucy's School will be held Sunday, June 4, at 2 p.m. in St. Lucy's Church.

Father Rowland Holstein of St. Joseph's Seminary in Menlo Park will give the graduation address.

Diplomas will be presented by Father Leonard Bose and Paul Richards, a student, will give the class speech "We Give Thanks."

Awards will be presented for Religion, Scholarship, Excellence in Studies, Knights of Columbus, Y.L.I. and American Legion Award.

St. Lucy's will dismiss classes for summer vacation on June 9.

MAY 31:

On this date in 1930, the last Curtiss Marine Trophy Race, an annual event for military seaplanes, was won by Capt. Arthur Page, USMC, flying an F-6C Curtiss fighter at a speed of 164 mph.

Couple plans October nupitals

A Mother's Day party and an anniversary celebration were the settings for the announcement of the engagement of Donna Del Carlo to Louis M. Nisich Jr.

The bride elect's family were told of the nuptial plans at a Mother's Day gathering in the home of her parents, Alfred and Elaine Del Carlo, 105 W. Catalpa Lane.

Mr. and Mrs. Louis Nisich, parents of the future groom, heard the engaging news at a 25th anniversary celebration given recently in their honor at the Los Gatos Elks Club.

A 1966 graduate of Campbell High, Donna won a graphic design degree from San Jose State College in 1971.

She is employed as a manager of the drapery department at the Emporium.

Her fiance, now working as an operator engineer at Lou Nisich Construction Inc. was graduated from Andrew Hill High in 1967, before attending San Jose City College.

The couple plan an October wedding in St. Lucy's Church, Campbell.

DONNA DEL CARLO

STRAIGHT ARROW---A group of girls watch the form of this young archer as she stretches her bow, loosens the arrow and takes aim. Archery, drama, bike touring and folk guitar are among the classes being planned for the Wedgewood Summer School, which will be offered in the Los Gatos - Campbell area.

Teachers stage summer school

A group of teachers from San Jose schools will soon converge on Campbell and Los Gatos to teach a summer school for children ages six to 16.

Drama, bike touring, photography and folk guitar are among the subjects considered for the Wedgewood Summer School, which offers small classes taught from 8:30 a.m. to 12:30 p.m., for six weeks beginning Monday, June 19. Tuition fee is $75.

Interested persons are invited to a meeting concerning the summer school at 7:30 p.m. on Tuesday, June 6 in the library of Castro Jr. High. For more information phone 374-5375.

SARATOGA NURSERY

A record $5,000 was netted by the Saratoga Parent Nursery School at their 11th annual Winetasting and Art Show, which was attended by over a thousand people.

Proceeds from the major fund-raiser will be used for school improvements and scholarships for needy children. For more information phone 257-6833.

1928 graduate is retiring

Over 200 guests attended a reception held recently for Dora Finnemore, a 1928 Campbell High graduate who is retiring after nearly 40 years of service in the Santa Rosa public schools.

After completing four years at San Jose State Teachers College, the honoree earned her master's degree at the University of Southern California during summers there.

After the second world war she became director of tests and measurements for the Santa Rosa Schools, then was promoted to director of special services.

Highlight of the reception for the former Campbellite, which was arranged by her coworkers, was the presentation of a gold wrist watch.

Myrtle Hallett of Campbell, a sister of the honoree, was in the receiving line of the recent reception.

Auxiliary has 10th birthday party

BIRTHDAY FESTIVITIES-- Mrs. Charles Dorr, outgoing president of the Good Samaritan Auxiliary; Roy E. Demmon, chairman of the hospital's board of trustees, and Mrs. Jack Shirley, of Campbell, incoming president of the auxiliary, enjoy the group's recent birthday celebration.

The Good Samaritan Hospital Auxiliary celebrated its tenth birthday recently amid red roses, decorated cakes and glowing candles.

In 10 years the Auxiliary has grown from a small group of women who raised money for a hospital not yet constructed, to a membership of 881 women who volunteered a total of 49,698 hours within the hospital in 1971.

Three guest speakers at the annual meeting and luncheon held at La Rinconada Country Club were Dr. Robert B. Truitt, chief of staff; Robert K. Kirk, hospital administrator and Dr. Robert N. Boswell, director of development.

According to them, the hospital may be renamed The Good Samaritan Health Center.

The new name will match the new image of the expanding hospital which will have doubled in size by August, 1974 when Phase II of its building program will be complete.

In addition to a 400-bed capacity for in-patient care, the hospital will have facilities for out-patient treatment and a surgery center.

Along with the enlarging of the hospital, the Auxiliary expanded its horizons and four new services were created, Art Cart, Emergency, newspapers and telecare, which was formed jointly with six other San Jose area hospitals.

Perhaps the greatest step into the future was the establishment of a scholarship fund that will allow young people to further their education in any field of medical care.

Annual meeting day is the only day of the year when members of the Auxiliary are not on duty in the hospital.

Presiding over the meeting was Mrs. Charles Dorr, outgoing president.

Officers for next year were: Mrs. Jack Shirley, president; Mrs. Paul Gebhart, first vice-president; Mrs. Albert Baroni, second vice-president; Mrs. Richard Hoffman, secretary; and Mrs. Donald Stewart, treasurer.

Frank Michuda received honorary membership in the Auxiliary from Mrs. Hugh Morse, auxiliary second vice-president and membership chairman, who resides in Campbell.

Michuda, the administrative engineer, joined the staff before the hospital actually opened and is now an inspector for the new buildings in Phase II.

Robert K. Kirk, administrator, and Rev. Lawrence Whitfield, chaplain, are the only others who are honorary members in the auxiliary.

LEGION AUXILIARY

Sally Sikes, past district president of American Legion Auxiliary, will install new officers of Auxiliary 158 at 8 p.m. on Friday, June 9 in the Legion Hall, Dell Ave.

Garden Club has installation

The garden of Mrs. John Henzie, 353 Redding Rd., will be the setting for the Blossom Valley Garden Club's installation of officers on Wednesday, June 7 at 1 p.m.

Mrs. Eugene Riggs will install Mrs. Albert Rocco, president; Mrs. Doug Morris, vice-president; Mrs. Paul Sickinger, second vice-president; Mrs. Zeno Hallett, secretary, and Mrs. Carl Moore, treasurer.

The Club's recent succulent sale at the Cambrian School Flea Market was a success.

SKATING BROWNIES--- Dover School in Campbell, where these pert Brownies of Troop 465 study, "was never like this." Ice skating for achievement points is a brand new activity for these girls, whose leaders are Beth Callan and Teddy Bausano. Parading across the Eastridge Ice Arena are Kathy Bausano, Renee Wright, Mary Sheehan, Carrie Vaianisi, Stephanie Benner, Jill Sprecher, Monique Soltan, Tracy Riccitello, Nancy Millhoff and Melinda Yee.

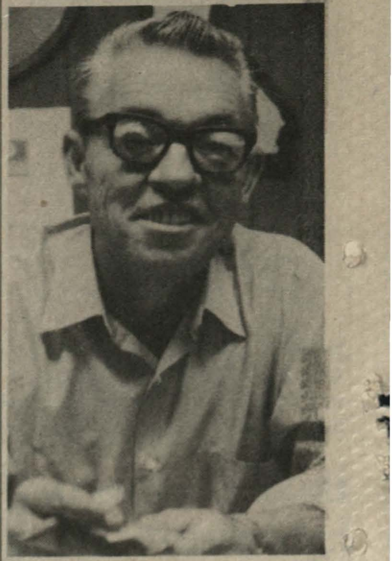
New Boat Dealer Opens



DWIGHT KELSEY

A complete new boat and marine accessory store has been opened in Campbell by Dwight Kelsey of Monica Lane. Located at the corner of Winchester Blvd. and Hamilton Avenue, the store will feature major lines of boats, engines, marine accessories and navigational equipment. The store will be known as Campbell Marine.

Kelsey brings to West Side boating enthusiasts more than 15 years experience in the sales and servicing of boats and marine engines. Kelsey will be assisted by a staff of skilled mechanics and sales persons. The firm has been franchised by such major names as Chrysler boats and motors, Johnson Outboard Motors, Tahiti, Invader and Thompson Boats.

Kelsey, who is a native of Fresno, has resided with his family in Campbell for more than 13 years. He was graduated from high school in Fresno, later completing his education in engineering at Bakersfield State College. He also served in the Merchant Marines for a number of years.

Since moving to Campbell he and his wife have seen two sons, Dwight, 21, and Leonard, 18, graduate from Campbell High School. For the past eight years, he has taken an active part in Little League and Pony League, at present being a Pony League sponsor, and former president. He was one of the leaders in developing the ball park at Rincon Park.

He has won a number of trophies and awards for outstanding service in boating and marine engine promotions, including trips to England and Hawaii.

Kids round up road-e-o prizes

Campbell police licensed and registered bikes at a bicycle Road-e-o at Capri Elementary School, in which over 70 children participated on a recent Saturday.

Winners in the bike riding contest featured at the road-e-o include Lee Ann Hill, first place and Kim Thomas, second place, among the first and second grade girls.

Trever DeLong, a kindergartener, garnered a blue ribbon and Steven Pratt, first grader, won a red ribbon in the youngest boys division.

Chris Toledo, first; and Jerri Smith, second, were top bike riders among third and fourth grade girls.

In the boys' division for the third and fourth grades, honors went to Mike Bannister, first and Don Dardanelli, second.

Kathy Todd and Glen Sargent were blue ribbon winners for the fifth and sixth grades, while Lori Lewis and Joey Reed won second place ribbons.

Kim Thomas proved the lucky one when the ribbon winners drew numbers for the grand prize, a dinner of four on the house, at Sambo's West Campbell Avenue.

Other local restaurants donating prizes for the road-e-o included Red Barn, Cookbook, Straw Hat Pizza, A & W Root Beer and the Jack-In-The-Box.

Girl Scout Troop 567 sold beverages and cookies at the recent event, in which nearly 20 parents participated in helping roles.

The event was coordinated by Phyllis Davis, chairman and Darlene O'Locki, co-chairman.

QUICKIE "ORCHESTRA"

A month-long string orchestra for college students home on vacation and others who would like to play on a short-term basis, will be organized this June by the Los Gatos-Saratoga Symphony.

For information about auditions for the group, which will culminate their six rehearsals with an Old Town concert on June 25, phone 264-6399, after 4 p.m.

OPEN HOUSE

Campbell residents are invited to the opening of the West Valley Public Health Center, from 2:30 to 4:30 on Thursday, June 1, 641 University Ave., Los Gatos.

The Santa Clara County Health Dept. facility will serve the Campbell, Saratoga, Los Gatos area.

Warrior Wrap-Up

by Ellen Carrico

SENIORS

Westmont seniors will be taking off for a fun-filled night at Disneyland tomorrow.

There will be 17,000 graduates from different high schools visiting Disneyland that evening. Because of the small number, there will be no waiting line.

Students have a choice of going by plane or bus. Cost for the evening will range from $15 to $40 depending on how they go. They'll be in Disneyland from 11 p.m. to 5 a.m.

Entertainment for the evening will be Stevie Wonder, The Grass Roots, Helen Reddy, and Robert John.

Tuesday, May 23, was the annual Senior Sneak day. At 8:30, seniors left Westgate Shopping Center on buses heading for Santa Cruz beach.

This meant the whole senior class missed a day of school legally! To top off a fun day at the beach, that night they got together at the school as a memorable way of saying "goodbye".

These were only a few of the things that the great class of '72 is doing to prepare themselves for graduation, which will be held on June 14 this year.

ALL LEAGUE ATHLETES

Westmont's sports are finishing up the '71-'72 seasons with the many different sports banquets. At these banquets, the guys making "all-league" and honorable mention were given recognition.

Chosen for the all-league Varsity Soccer Team were Larry Tracey, first team; Rich Rutgers, second team and Bruce Thurmond received honorable mention. J.V. Soccer chose Mike Noakes as second team all-league.

In varsity baseball, Mark Thomas and Jeff Martin received honorable mention.

First team all-league for F/S baseball went to Keith Van Amberg while Cordie Dove was chosen second team all-league.

Honorable mentions went to Jerry Porter and Tim Hart.

In basketball, Andy Lund received second team all-league. Brian Howell and Brad Baldinger made second team all-league with John McNulty and Dane Watson receiving honorable mention.

In wrestling, Tim Adams took first in league finals, first in regionals and sixth in CCS Finals.

Greg Zaragoza took third in league and third in regionals. Ron Helder placed second in league and fourth in regionals.

Troy Martinez placed third in league finals and Pat Thompson also took a third in league finals.

GAA

"Never Underestimate the Power of a Woman" will be the theme of this year's GAA banquet. The annual Girls Sport's Banquet will be held tomorrow night at 7 in the Cafetorium.

DANCE

"Los Unicos" performed for Westmont's last dance of the year Friday night. The dance was sponsored by the Mexican-American Chicano Student Coalition of Westmont.

The band, "Los Unicos", played music by Santana, Malo, The Temptations, and The Tower of Power.

TALONS MEMBERSHIP

Carol Anderson, 1394 Arroyo Seco Dr., Campbell, a freshman home economics major at Oregon State University, was chosen for 1972-73 membership in Talons, a sophomore women's service honorary.

As one of 58 other members, Carol will assist in various campus programs such as New Student Week and Mothers and Dads Weekends.

TAKE FIVE---Marc Gewertz and his four-month-old St. Bernard, Kahlua, are resting up for the Town and Country Training Club's tenth annual All Breed Fun Match being held at the Santa Clara County Fairgrounds on Sunday, June 4. Campbellites working on the match include Charles and Thelma Forsythe, 1351 Hoffman Lane; Jeanine Lofdahl, 191 W. Rosemary Lane and Jerry and Shirley Shockley, 711 Harriet Ave., all club members. Sally Howe, Budd Avenue, will be among the event's 19 judges.

DISTRICT OFFICERS --- Incoming officers Steve Goodman, Dale Follas, Myron Alexander, Bob Cowan and George Talley are congratulated by Dr. Frank Bernard, Council president at an annual recognition banquet for the Pioneer District of the Boy Scouts.

AWARD OF MERIT---(Back row) Frank Nickson, Al Smith, Bill Beck, Bob Janes, Joe Evers, Cliff Avery and Dick Gruver stand to receive an Award of Merit at an annual Boy Scout Recognition Banquet. Joining in the honor are the men's wives, Joan Smith, Sally Beck, Bobbie Janes, Heidi Evers and Beverly Avery.

Boy Scout

Over 400 Scouters and their wives attended the annual Recognition Banquet of Pioneer District of the Boy Scouts, held recently at Camden High.

One feature of the awards banquet was the installation of District officers. They include Steve Goodman, present District chairman; Dale Follas, Myron Alexander and Bob Cowan, vice-district chairmen and George Talley, district commissioner.

Among the seven Scouters receiving the Award of Merit were Robert A. Janes, from the San Tomas area and Clifford R. Avery, Scoutmaster of Troop 346.

The three recipients of the Silver Beaver award were Robert M. Wilson, neighborhood commissioner, Dale S. Follas, vice-district chairman and Ralph A. Storti, District Scouter.

Karl Mann was presented a veteran's award for 45 years of service to Scouting.

LOVE STORY---Shakespeare's "Romeo and Juliet" will be presented at 8 p.m. on Friday, June 2, in West Valley College's Campbell campus auditorium. The New Shakespeare Company of San Francisco, a 25-member group who have given four years of performances in the Bay Area, will appear as part of West Valley's eighth annual Fine Arts Festival. Tickets for the drama may be obtained in the college's Community Service office, 44 E. Latimer Ave., Campbell, room L-26, phone 379-1733, ext. 58.

Yugoslav youth wants a home with Campbell area family

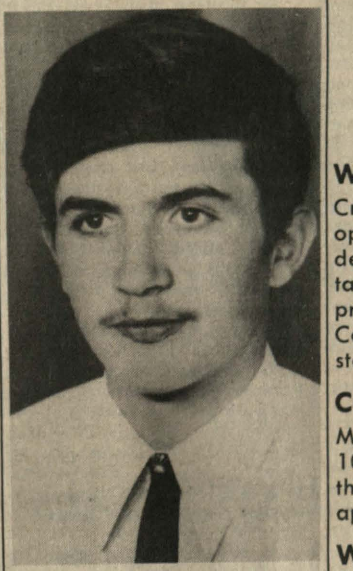
A warm friendly family with a teenage boy who attends Campbell High is being sought to host a 17-year-old foreign exchange student for the coming year, says Mrs. Nils A. Hanson, local field representative for Youth for Understanding.

The young man who wants to "adopt" a Campbell family for one year is Nadan Karamehmedovic from Trebinje, Yugoslavia.

The 6'1", 17-year-old whose father and mother are both engineers plans a career in the same field, so physics and mathematics are among his favorite subjects.

But Nadan's interests are broad,—he takes piano lessons at a music school in addition to his regular studies, and he enjoys sports, especially soccer.

The Yugoslav youth, who is a good student and speaks English, wants to come to America to improve his facility with our language and to "better relations among peoples."



NADAN
KARAMEHMEDAVIC

Though the teenager is a Moslem, Mrs. Hanson explains that the program does not need to find him a family of the same religion.

For more information phone Mrs. Hanson at 252-7789.

KQED Auction is well underway

A London taxi, a Morgan Railroad car, a six by six foot metal sculpture of San Francisco by a Los Gatos artist, are a few of the more unusual items being offered at the annual KQED Auction which began at 4 p.m. on Friday, May 26.

The auction, largest televised in California, will end June 4. It is being broadcast in color from the Cow Palace from 4 p.m. until midnight on weekdays, and from 1 p.m. until midnight on Saturdays, Sundays, and Memorial Day.

Over a million viewers watched the auction at home last year, purchasing $425,000 worth of items.

The Cummings Gallery of Campbell donated a painting to the auction and Bernita Dodge, local artist, contributed a batik fabric design.

Japanese visit Kirkwood Plaza

Kirkwood Plaza was host last week to over 30 Japanese businessmen who are planning to open supermarkets in the Tokyo area.

Each store in the Plaza was toured and photographed by the Japanese, who are visiting the west coast to discover how the facets of America's sprawling supermarkets can be adapted to their homeland.

The men will return to Japan, ready to apply the best of American marketing techniques.

- Cycling
- Hiking
- Archery
- Skeet-Target Shooting
- Nature Study

WHAT'S INCLUDED?
Critically needed permanent open space, spacious park development — in the mountains, by fresh and salt water, preservation of beautiful County land in its natural state — for all to enjoy!

COST?
Moderate! For example, this 10-year plan would cost the owner of a $30,000 home approximately 58¢ a month!

WHAT IF 'C' LOSES?
Park development will be delayed for years. Beautiful acreage will be lost to other development. Land costs will rise.

LEGAL NOTICE

CITY OF CAMPBELL
DEPARTMENT OF PUBLIC WORKS
CAMPBELL, CALIFORNIA
NOTICE TO CONTRACTORS
TOPICS PROJECT NO. 70-3

Sealed proposals will be received by the City Clerk of the City of Campbell, City Hall, Campbell, California until 2 o'clock p.m. on Thursday, the 15th day of June 1972, at which time they will be publicly opened and read, for construction on city street in accordance with the specifications therefor, to which special reference is made, as follows:

In the City of Campbell, County of Santa Clara, construction at the intersection of Winchester Boulevard and Hacienda Avenue including widening, realignment, resurfacing, traffic signals, roadway lighting and minor storm drainage improvements.

Bids are required for the entire work described herein.

CITY ENGINEER'S ESTIMATE

Herein is listed the various items of work. (Complete Copy on File in Office of City Engineer)

Plans, specifications and proposal forms for bidding this project can only be obtained at the office of the City Engineer, 161 Grant Street, Campbell, California, upon payment of a printing and service charge in the amount of Ten Dollars ($10.00) (sales tax included), which amount shall not be refundable. Checks shall be made payable to "City of Campbell", and may be mailed to Public Works Department, 161 Grant Street, Campbell, California 95008.

The Department of Public Works, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the ground of race, color or national origin.

Minimum wage rates for this project as predetermined by the Secretary of Labor are set forth in the Special Provisions. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the prevailing wage rates determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the higher wage rate.

Pursuant to Section 1770 of the Labor Code, the Department has ascertained the general prevailing rate of wages in the county in which the work is to be done, to be as listed in the Department of Public Works, Division of Highways publication entitled Equipment Rental Rates and General Prevailing Wage Rates, dated May, 1972.

CITY OF CAMPBELL
Dated May 22, 1972
By Dorothy Trevethan, City Clerk

Notice is also given of a Pre-Bid Conference to be held at 2 p.m. on Thursday, June 8, 1972, at the office of the City Engineer, 161 Grant Street, Campbell, California, at which the various legal requirements of the successful bidder will be reviewed, and any questions of prospective bidders will be answered.

All prospective bidders are invited.

LEGAL NOTICE

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES

S.D. No. 3
Project: Central III
Parcel No.: 2813-35 EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Sixteen Thousand Dollars ($16,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Co., 300 South First Street, San Jose, escrow number 154960. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of One Thousand Six Hundred Dollars ($1,600.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on July 12, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., July 12, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on May 2, 1972, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese.
NOES: Supervisors: None
ABSENT: Supervisors: None
Charles A. Quinn,
Chairman, Board of Supervisors
APPROVED AS TO FORM:
Gerald J. Thompson
Asst./Deputy County Counsel
ATTEST: Donald M. Rains,
Clerk, Board of Supervisors.

LEGAL NOTICE

ORDINANCE NO. 842
AN ORDINANCE ADDING CHAPTER 5.48 TO TITLE 5 OF THE CAMPBELL MUNICIPAL CODE RELATING TO MASSAGE PARLORS.

The City Council of the City of Campbell, State of California, does ordain as follows:

CHAPTER 5.48 of the Campbell Municipal Code is to read as follows:

CHAPTER 5.48 MASSAGE PARLORS.

5.48 010 Definitions. The definitions set forth in this article shall govern the construction thereof, unless the context requires otherwise:

(a) "Massage" means a method of treating the external parts of the body for remedial or hygienic purposes, by rubbing, stroking, kneading, adjusting or tapping with the hand or with an instrument. "Massage" does not include therapy, that is, means employed in effecting the cure of disease; the management of disease or of diseased patients.

(b) "Massage establishment" means an establishment in which the practice of massage is carried on for compensation or from which a person goes to administer a massage at any other place for compensation.

(c) "Massagist" means any person who practices massage as herein defined.

(d) "Recognized school" means any school or institution of learning which has for its purpose the teaching of the theory, method, profession or work of a massagist.

5.48 020 Permit and Registration Required. No person shall establish or maintain a massage establishment without first obtaining and maintaining in effect a permit from the City of Campbell nor shall he employ as a massagist any person who does not possess a current unrevoked certificate of registration.

No person shall practice massage for compensation without first obtaining and maintaining in effect a certificate of registration as a massagist.

5.48 030 Exemption. No permit or certificate of registration shall be required of any person licensed by the State of California as a physician, surgeon, chiropractor, osteopath, nurse, vocational nurse, physical therapist or barber.

5.48 040. Permit.

(a) Every person who proposes to conduct or operate an establishment for the practice of massage shall make written application to the Clerk of the City of Campbell for a permit for each such establishment. The application shall include the following:

(1) The full name and present address of applicant;

(2) The two previous addresses immediately prior to the present address of applicant, and the dates of residence at each;

(3) The names and addresses of at least three bona fide adult residents of the County of Santa Clara who will serve as character references. These references must be persons other than relatives and business associates;

(4) Written proof that the applicant is over the age of eighteen (18) years;

(5) Applicant's weight, height, color of eyes and hair, date of birth;

(6) Name under which, and place where, said applicant proposes to operate a massage establishment, together with the street, city, county and state address where said applicant practiced or conducted any similar business, if any, within twenty-four (24) months immediately preceding the date of said application, and name under which the same was so conducted;

(7) Written proof that the applicant has had at least one year's experience in the profession, work and method of treating the external parts of the body for remedial purposes or hygienic purposes by rubbing, stroking, kneading, adjusting or tapping with the hand or by instrument, or applicant must furnish a diploma or certificate of graduation from a recognized school.

(b) The Clerk of the City of Campbell shall retain the original copy and then transmit duplicates to the Police Chief, Fire Marshal, and Director of Planning for their investigation and approval.

5.48 050 Investigation. The Police Chief shall investigate the applicant's moral character and shall investigate the premises where the massage establishment is to be operated for the purpose of assuring that such location does not pose a police problem and that the business will be in the interest of the public health, safety and welfare.

The Police shall photograph and fingerprint the applicant. Within thirty (30) days after said application is filed with the Clerk of the City of Campbell the Police Chief shall return the duplicate thereof to the Clerk of the City of Campbell with his approval thereon in writing, or, in the event the application is not approved, a statement to that effect with his reasons therefor fully set forth in writing and based on the following grounds:

(a) That the applicant is of bad moral character; or

(b) That the operation of a massage establishment at the location in question would be contrary to the interest of public health, safety or welfare.

5.48 060 Denial of Permit. The City Council may refuse to issue a permit if, after investigating the matter, it is determined that the applicant is of bad moral character or the operation of a massage establishment would be injurious to the health, safety, and welfare of the people of the county.

5.48 070 Fee. A fee of Fifty Dollars ($50.00) shall be paid at the time of the issuance of the permit described in Section 5.48 040.

5.48 080. Expiration, Renewal. Each permit issued under this ordinance shall expire at the end of the year, unless sooner revoked. An unrevoked permit may be renewed for one year on written application to the City of Campbell made at least one month before its expiration date.

5.48 090 Revocation of Permit. The City Council may revoke the permit issued under this ordinance upon determining that the holder has violated, or caused or permitted any other person under his control or supervision to violate any provision of this ordinance, state or federal law in connection with the practice of massage or operation of the massage establishment.

5.48 100 Certificate of Registration.

(a) Every person who desires to be employed as a massagist shall make written application to the City Clerk for a certificate of registration (Business License). An individual possessing a current unrevoked permit required by section 5.48 040 need not obtain a certificate of registration. The application shall be in the form described in section 5.48.040.

(b) The City Clerk shall transmit duplicates to the Police Chief for investigation and approval. The city clerk shall not issue the certificate applied for until said approval has been received. In the event said application is not approved, the City Clerk shall deny the certificate and notify the applicant thereof in writing and advise him that he has a right to appeal within ten days.

5.48 110 Investigation. The Police Chief shall investigate the applicant's moral character.

5.48 120 Expiration, Renewal. Each certificate of registration issued under this ordinance shall expire at the end of year, unless sooner revoked. An unrevoked certificate of registration may be renewed for one year on written application to the City Clerk made at least one month before its expiration date.

5.48 130 Revocation of Certificate. The City Clerk may revoke a certificate of registration issued under this ordinance upon determining that the certificate holder has violated, or caused or permitted any other person under his control or supervision to violate any provision of this ordinance, state or federal law in connection with the practice of massage or operation of the massage establishment. The City Clerk shall transmit by certified mail to the applicant's address as shown on the application or otherwise more recently of record, a written notice that said certificate of registration is revoked at the end of fifty days after such mailing of the notice. A revoked certificate of registration shall be immediately surrendered to the City Clerk.

5.48 140 Appeal. An applicant for or holder of a certificate of registration may within ten days following mailing of notice of refusal by the City Clerk to issue or renew the same, or his revocation thereof, appeal from the action of the City Clerk to the City Council. The matter will be set for public hearing before said Council at its next regular meeting, not sooner than the fifty days after such appeal is filed. Unless the Council shall reverse the City Clerk's action by a majority vote, his decision shall be deemed affirmed. The burden of proof shall be on the applicant if the appeal is from a determination to refuse to issue; it shall be on the City Clerk and Police Chief if the appeal is from a determination to revoke or to refuse to renew.

5.48 150 Posting of Sign and Permit.

(a) A recognizable and legible sign shall be posted at the main entrance identifying the establishment as a massage establishment.

(b) The permit shall be posted in a conspicuous place in such manner that it can be easily seen by persons entering the establishment.

(c) Persons acting in the capacity of massagist shall have the certificate of registration issued them in their possession during the hours that they are acting as such in a massage establishment.

5.48 160 Transfer of Permit. No permit issued under this ordinance shall be transferred or assigned in any manner, whether by operation of law or otherwise, from location to location or from person to person.

5.48 170 Notice of Employees' Status. Every person holding a permit issued pursuant to section 5.48 040 shall report immediately in writing to the Police Chief the employment or termination of massagists practicing in such establishment.

5.48 180 Application of Ordinance to Existing Businesses. The provisions of this ordinance shall be applicable to all persons and businesses described herein whether the herein described activities were established before or after the effective date of this ordinance.

5.48 190 Compliance with State Law. None of the provisions of this Chapter shall exempt massage parlors from operation or employees from applicable state laws.

PASSED AND ADOPTED BY THE City Council of the City of Campbell this 22nd day of May, 1972, by the following vote:

AYES: Councilmen: Chamberlin, Doetsch, Hammer, Paul, Podgorsek.
NOES: Councilmen: None
ABSENT: Councilmen: None

LEGAL NOTICE

NOTICE TO PAY ASSESSMENTS
VIRGINIA AVENUE
LOCAL IMPROVEMENT DISTRICT NO. 22

NOTICE IS HEREBY GIVEN that all owners of real property liable to be assessed to pay the costs and expenses of the acquisitions and improvements described in Resolution of Intention No. 2981 adopted by the City Council of the City of Campbell on March 8, 1971, as subsequently amended, are hereby notified that on May 23, 1972, the assessment and diagram to pay the costs and expenses of said acquisitions and improvements was recorded in my office.

Said assessments are due and payable immediately at the office of the City Clerk, City Hall, Campbell, California, and must be paid within the period expiring June 22, 1972.

In the event of the failure to pay before the expiration of said period, serial bonds to represent the unpaid assessments and bear interest at the rate of not to exceed seven percent (7%) per annum will be issued pursuant to the Improvement Bond Act of 1915 and the last installment of such bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

WILLIAM G. WREN
Superintendent of Streets of the City of Campbell
PUBLISH: May 31, June 7, 14, 1972.

LEGAL NOTICE

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Governing Board of the WEST VALLEY JOINT COMMUNITY COLLEGE DISTRICT, 44 East Latimer Avenue, Campbell, California, hereby calls for sealed proposals for the furnishing of all labor, materials, transportation and services, including all utilities and related site work requried for the construction of:

UNDERGROUND ELECTRICAL SERVICES FOR BUSINESS DIVISION - STUDENT PERSONNEL AND ADMINISTRATION BUILDING

All proposals must be on a lump sum basis. Segregated proposals will not be accepted.

Bids will be received by the Governing Board at 44 East Latimer Avenue, Campbell, California 95008, on June 15, 1972, at 2:00 P.M.

Proposals received after this time will be rejected and returned unopened.

Drawings and Specifications may be obtained at the Architects' Offices at:

HIGGINS & ROOT,
ASSOCIATES, A.I.A.
400 Blossom Hill Road
Los Gatos, California 95030

The Contractor and all Subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for all legal holiday and overtime work in a similar nature in the locality in which the work is performed; to wit: Said West Valley Joint Community College District, said per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by the Board of Supervisors of the County of Santa Clara and which is now on file in the office of said Board, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted by each craft or type of workman or mechanic needed to execute this contract, is by reference incorporated and specified herein and made a part hereof.

Each Bid Proposal shall be accompanied by a Bid Bond, duly executed by the bidder as principal and corporation authorized to do business in the State of California as surety naming the West Valley Joint Community College District as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank of the State of California, in the amount of ten per cent (10%) of the total bid submitted and made payable to the West Valley Joint Community College District.

Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award, and to file the required bonds, the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said Bid Bond, either voluntarily or pursuant to the judgment rendered by the court in any action brought thereon, will be retained by said College District as agreed and liquidated damages.

The Board reserves the right to reject any or all bids, or any or all items or alternate, or to waive all irregularities.

BY ORDER OF SAID BOARD THIS DATE
May 4, 1972
James P. Hardy, Secretary to the Governing Board of West Valley Joint Community College District.

Cougars Corner

by Alan Carmain

ISSUED CHALLENGE

Camden High has recently received a letter of challenge from Westmont High School.

The challenge is for the "express purpose of constructive competition on a field of honor"; in this case, a ping pong table.

Both schools will be represented by seven "of the most proficient table tennis masters in the immediate area". The selection of the time and the place this is to occur was left up to Camden.

At this time the Cougars are setting up challenge matches between the estimated 13 students that have signed up to meet the Westmont Warriors. The time of the play-off between Camden and Westmont has not been decided, however, the place will be at Camden.

To maintain a professional atmosphere all the players are requested to bring their own paddles.

The table tennis matches will more than likely be set up similar to that of tennis matches.

ACTIVITY PERIOD PASSED

Camden High recently brought before the Campbell Union High School Board an activity period which would allow a 55 minute period to be inserted once a week every Wednesday between periods two and three.

The proposal was presented to the board by Mr. Crawford and supported by students and faculty members that attend the meeting May 24.

After a period of discussion, the board and students (the board consisting of five members) passed the activity period unanimously.

Therefore the activity period will go into effect next fall. It appears that this time all the hard work that the students and faculty have put forth has not gone to waste. Now it is up to the student body at Camden next year to prove that they can put this time to good use.

TOP SCHOLARSHIP WINNER

"Gonzaga's curriculum in chemistry is very good and its ROTC training is like West Point on the west coast," said Bruce Siggins, a recent top ROTC winner in Northern California.

Bruce, a senior at Camden High has been awarded a scholarship valued at $25,000 to be used at any school of his choice out of an estimated 300 schools which offer ROTC training. Bruce has chosen Gonzaga in Washington.

The scholarship is also good for all of his tuition fees, books, and some of his living expenses.

Bruce would like to specialize in chemistry. When asked what field he intended to make his career he responded, "I might possibly go into the army engineering corps."

Bruce will start school this fall in September and will be working in the base commissary to pay for his room and board.

NOTICE OF SPECIAL SCHOOL DISTRICT MAXIMUM TAX RATE CONTINUATION ELECTION

(Cons. with West Valley Joint Community College District Special Governing Board Member Election)

NOTICE IS HEREBY GIVEN that on Tuesday, JULY 25, 1972, an election will be held in the CAMPBELL UNION SCHOOL DISTRICT of Santa Clara County, California, at which election there will be submitted to the voters of the District the following question:

PROPOSITION:

Shall the existing maximum tax rate of Two Dollars and Fifty-five Cents ($2.55) for each one hundred dollars ($100.00) of assessed valuation of property be continued in the Campbell Union School District for the school years 1972-73 to and including 1976-77, the revenues of which are to be used for the maintenance of the educational program, including funds for instructional supplies, library books, the maintenance and repair of buildings, grounds and equipment, operation, employee salaries, capital outlay, and to make such other lawful expenditures as may be required?

The County Superintendent of Schools, by this Notice of Election, has called the election pursuant to a Resolution and Order of the Governing Board of the District, adopted April 27, 1972, in accordance with the provisions of Education Code Sections 1303, 1307, 1323, 1325, 1326, 1333, 1342, 20803, and Chapter 4, Part 2, Division 12, Elections Code.

CAMP FIRE GIRLS

by Ellie Rumbaugh

GRAND COUNCIL FIRE

Camp Fire Girls of District Nine will hold their annual Grand Council Fire in Bramhall Park (Willow Street Park) in San Jose on Wednesday, May 31, at 7 p.m. Over 450 girls will be recognized for achievements earned this past year in the Camp Fire program.

These include rank, individual torch bearer, national, outdoor progression, candy sale, and new member awards.

Receiving special recognition is Audrey Shuman who will be receiving her Wohelo Medallion, the highest honor a girl can earn, as well as her ten year membership pin.

This will be presented by Mrs. Gladys Vonfelt, who is receiving her thirty-five year adult membership award.

Others receiving ten year membership awards are Marilyn Miller, Elizabeth Robinson, and Cathy Rotticci.

This year's Grand Council Fire committee consists of: Kay Cook, chairman; Sandi Guenther, Jean Perreia, Cecilia Bass, Doris Sexton, Sybil Albrecht and Kris Mc Connell.

Summer school has 150 classes

Over 150 classes, the largest number in its history, will be offered by West Valley College during this year's summer session, for which registration will be held on Monday, June 19 at the Saratoga campus.

A two week class in institutional foods and an eight week computer cobol course will be among the possibilities for summer students. All seven divisions of the college will also offer many of their regular classes.

Any student residing in the district, or who has a release from another district, may pick up a registration priority card now in the admissions and records office, 51 E. Campbell Ave.

Instruction will begin Tuesday, June 20 and end July 20. Fees, paid during registration, total $3.

College offers June 9 speech

Dr. Ulvado H. Palomares will speak on "Chicano in Transition" at 8 p.m. on Friday, June 9 at West Valley College's Campbell campus, Winchester Blvd. and Campbell Ave.

Palomares, the son of migrant farm workers in California and the south west, is a special consultant to the U.S. Commission on Civil Rights and to the U.S. Secretary of Health, Education and Welfare.

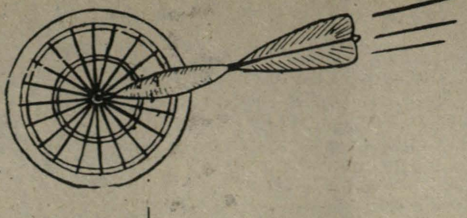
Tickets for his appearance, sponsored by the college's office of Community Services, may be picked up at that office, 44 E. Latimer Ave., room L-26, phone 379-1733, ext. 58.

SCHOLARSHIP

Candis A. Bourdet of Campbell was among 16 West Valley College students selected to receive California State Scholarships for the 1972-73 school year.

Eligibility for the scholarship, which varies in amounts according to needs, is based on good citizenship, residency and moral character, among other qualifications.

DARTING AROUND



with Tom Carroll

Would you believe a six hour and 50 minute dart match?

Well it happened in Washington, D.C. recently. The match played by the members of the Washington Area Darts Assn. is similar to that of the SCDA. They play four sets of two out of three doubles games.

The difference comes in the team game. This is also played two out of three but four players compete in the first leg, then the other four players compete in the second leg.

If the match goes to the third leg, only two players from each of the previous legs can compete. These legs are played at 501.

The match started at 8:30 and finished at 3:20 a.m. We understand there were no complaints from the sponsor as everybody was drinking and having a good time.

DARTS BY MAIL

Not satisfied with this record the W.A.D.A. is going for a longer one by playing a 25 point match with O'Rourke's in Chicago. Play will be eight sets of singles at a point each, four sets of doubles at two points each, two four-man team games for two points each and a full team game for five points. The U.S.D.A. is supplying the trophy.

GUINNESS RECORDS

The U.S. edition of the Guiness Book of Records does not contain any information on darts because the New York editor felt there wasn't enough interest in the subject in America. The following information can be found on page 254 of the United Kingdom Edition under the heading "Sports, Games and Pastimes."

The fastest time taken for a match of three games of 301 is 2½ minutes by Jim Pike (1903-1960) at Broadcast House, Broad St., Birmingham in 1952. Pike also holds the record for going round the board hitting all the doubles at arms length is 14.5 seconds at the Craven Club, Newmarket in March, 1944. His Match record for this feat at the nine foot throwing mark, retrieving his own darts, is three minutes, 30 seconds at King John's Head, Blackfriars, London in 1937.

The largest number of doubles scored in ten hours is 1,948 (in 8,393 darts) by John Latham at the Queen's Arms Hotel, Acomb, Northumberland on October 17, 1970 at the throwing distance of 7½ feet.

The 1939 News of the World Championships had the largest crowd when 17,000 watched the matches in the Agricultural Hall, Islington, London.

Only three men have won the News of the World Championship twice and an interesting point is that all three are named Tom. Tommy Gibbons (Ivanhoe Working Men's Club) of Conisbrough, Yorkshire won in 1952 and 1958. Tom Reddington (Derbyshire) took the title in 1955 and 1960. The only back-to-back winner was Tom M. Barrett (Odco Sports Club, London) who copped the 1964 and 1965 titles.

College offers tennis lessons

Beginning and advanced tennis players still have a chance to sign up for summer lessons at West Valley College, being held June 19 to July 28.

Dan Braden, tennis coach at the college, will instruct beginning students on Monday, Tuesday and Wednesday mornings from 9 to 10:15 a.m.

Advanced players can improve their strokes from 10:45 to noon the same days.

Braden, a former high school state champion, has had a life-long interest in the sport as have his brothers, one of whom founded a tennis college in Southern California.

Interested participants can register for the tennis lessons in the college's Office of Community Services, 44 E. Latimer Ave., room L-26, phone 379-1733, ext. 58.

COMPLETES BASIC

Army Private Anthony J Gangitano Jr., 19, son of Mr and Mrs. Anthony J. Gangitano Sr., 3710 Century Dr., Campbell, has completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Ft. Polk, La.

The soldier is a 1970 graduate of Campbell High School and attended West Valley College.

NEW OLD GLORY

Campbell Little League officials have been aware this season that their American flag needed replacing, but like a lot of things that need doing, no one had actually set the wheels in motion to purchase a new flag.

An anonymous patriotic citizen had also made note of the flag's condition and decided to do something about it.

So last week he delivered a new flag to the Campbell Police Department and asked that they see the flag was turned over to the league.

So, the Old Glory now flying over the field at San Tomas Expressway and Hamilton Avenue isn't "old" but a brand new one.

The Little Leaguers say "thanks".

Fish story

Harold L. Bohnett, 1571 La Pradera, recently was visiting his daughter, the former Carol Bohnett, and her husband, Chuck Kuhlmann, both former Campbell High School students, at their home in Oroville where they have a liquor and delicatessen store.

During their visit, Chuck and Harold went fishing in Lake Oroville. Suddenly, Chuck's line, pole and all, started to vanish into the water. Quickly, Bohnett moved his own pole and snagged Chuck's line.

A good-sized fish had been snagged on Chuck's untended line and that's what pulled it into the water. When Bohnett retrieved the pole, the fish was still there -- hooked, but good.

First half Little League winners told

Campbell Little League concluded its first half of play last week.

Emerging as first half winner in the major division was Campbell Moose Lodge, managed by Ken Aubineau, with a 11-3 record.

Two divisions were playing in the minor league, which grew to 12 teams this year. American Division winner was reported to be Campbell Rotary. First and Alma took the National Division minor title.

Farm Division winner was Shepardson Realty with an 8-0 record.

Games began Monday for the second half of play with first and second half winners slated to play for titles at the end of the season.

Letters to the Editor

TRANSIT AND PARKS

Dear Editor:

No Transit? No Parks? What then?

As each Santa Clara County voter opened his yellow envelope, he must have been dismayed by the arguments against Propositions B and C. It is somewhat amazing that such specious arguments can be printed and distributed at taxpayer expense. Also, it is noteworthy that the same people wrote the arguments both against transit and against parks, from conflicting points of view.

They discuss the cost of voting FOR these measures. They do not mention the monstrous cost of voting AGAINST these measures.

As an example--a first objective of the Transit District would be to make it so that most families would not NEED a second (and third and fourth!) car. This would save Santa Clara County car owners $250,000,000 (a quarter of a billion dollars) a year--far more than a gold plated transit system will cost.

Many families are being absolutely stifled by the cost of automobile transportation--and what about the 20,000 households in the County who have NO car? How do THEY get around? I often wonder.

No--let's not listen to these people who want all of our parks and open space to disappear under asphalt and concrete. Let's vote YES on Propositions B and C and get some real Transit in here.

We ahave $7,000,000 of our own gasoline sales tax revenue coming in to pay for transit, so let's use the money wisely, and get a GOOD transit system while we're at it.

THANKS TO CHARLIE--Congressman Charles S. Gubser, and Co-chairman of the "Thank You Charlie" Dinner, Ron James, (left) review the program for the community tribute June 5 to honor Gubser for his 20 years of service to the people of the 10th Congressional District. The 6:30 p.m. Reception and 7:30 p.m. Dinner will be held at the San Jose Hyatt House Mediterranean Center. Tickets for the $25 per person dinner are available from James at 294-9424. In Campbell reservations are available from Homer Hyde (378-7377). Checks may be mailed to Paul Rea, 10251 Kenny Lane, San Jose 95127.

"Operation Identification" makes burglary difficult

A program entitled "Operation Identification" has been instituted by the Campbell Police Department to help identify and prevent home burglaries.

Several valley communities who have participated in the program have found a noticable decrease in household burglaries, according to Campbell Police Chief Don Burr.

The program involves engraving one's drivers license number on metal or plastic items for identification. The engraving tool can be borrowed from the police department for a three day period.

Law enforcement officials have found that the engraving discourages thefts in two ways. First, the products in the home that are usually stolen can be readily identified, something that the "fences", persons who deal in stolen merchandise, don't like. Second, a thief caught with marked items would have a difficult time persuading police that the items are his own.

For information about using the engraver, call the police department, 378-1211.

NOW SERGEANT

Marine Sgt. Joe S. Saucedo, son of Mr. and Mrs. Ralph Chacon of 56 Carlyn Ave., Campbell, was promoted to his present rank while serving at the Marine Barracks, Naval Weapons Station, Fallbrook, California.

In 1883, San Francisco newspapers first began publishing lists of sales and quotations on the San Francisco Stock Exchange.

GETTING IN PRACTICE--The countywide June 3 Cyclethon, for benefit of the county Heart Association and American Youth Hostels gets support, from left, San Jose Councilwoman Janet Gray Hayes, who is chairman of the Cyclethon; Supervisor Dominic Cortese; Campbell Councilman Russell Hammer, and Supervisor Victor Calvo. The Cyclethon will be held over five different routes and riders will obtain contributions from individual sponsors based on the number of miles ridden. Full information may be obtained from the Heart Association (288-7617).

AVERSENTE CHORALE

On Sunday, June 11, The Aversente Chorale will present a concert in the San Jose City College Theater, 2100 Moorpark Ave. The 3 p.m. performance will be conducted by James Aversente, with Richard Cieslak accompanying at the piano.

This concert will mark the conclusion of the 30-voiced Chorale's fourth season. Tickets may be reserved by calling Lois Renner, ticket chairman, 739-2229, or may be obtained at the door prior to the concert.

TOP REGULAR OFFICER--Police Chief Don Burr (left) presents Sgt. Frank Furtaw with the trophy designating Furtaw as the outstanding regular officer of the Campbell Police Department for the past year. The award was made at the recent community recognition dinner held annually by the department. Mrs. Burr is on the left.

TOP RESERVE--At the recent community recognition dinner held by the Campbell Police Department, Eric Pearson (right) was named the outstanding reserve officer of the year. Police Chief Don Burr made the presentation. Mrs. Burr is on the left. On the far left is Assemblyman Dick Hayden, principal speaker at the dinner.

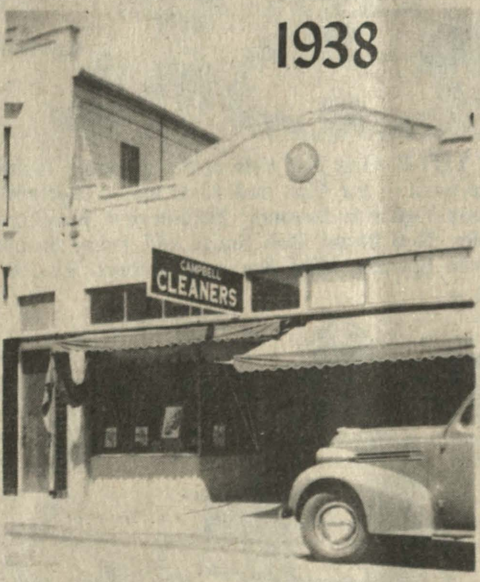
34 Years Of Quality Dry Cleaning In Campbell



As we enter our 35th year of business in Campbell, we want to thank all of our hundreds of friends and customers over the years who have made this milestone possible.

Ever since we opened our first shop on Campbell Avenue in 1938, our one aim has been to bring you the best cleaning service possible. To do this, we have constantly made improvements, added new and more sophisticated machinery. New materials mean new research and study for the dry cleaning industry, and we are constantly kept abreast of these developments through the testing laboratories of the Dry Cleaning Institute.

If your clothes haven't looked right or "felt right" lately, it's time to visit your professional dry cleaners. Your clothes cost more today, so doesn't it make good common sense to give them the best care possible?
